If you cant handle throwing your computer across the room then I wouldnt reccomend it. But if you're up for a challenge then you're in for a treat.. I've been on steam for 7 years and this is the worst game I've ever seen. Atleast joke games have some effort put into them.. Actually,this is not as bad as it looks.. I've been on steam for 7 years and this is the worst game I've ever seen. Atleast joke games have some effort put into them.. This is truly an excellent game so long as you recognize it for what it is, that is, an old school indie game, the graphics are not great nor is the story, but the gameplay is hilarious and provided me and my buddies some fun over the weekend, overall, definetly worth the two bucks..
